CABLE-LINK

CLE 80585

Cigarette Plug to Cigarette Jack

CLE 80586

3.5mmDC Plug TO Cigarette Plug

CLE 80587

Cigarette Plug to 2*Cigarette Jack

CLE 80588

High quality 800mA regulated DC/DC converter
Input voltage :12V
Output voltage: DC 1.5/3.0/4.5/6.0/7.5/9.0/12 volts
switchable (All voltage is regulated except 12V)
Input plug :cigarette socket
Output plug :5 detachable plugs
Cord length :1.8m
Fuse fopr protection

CLE 80589

DC 12V/DC12V

CLE 80590

Connection socket for car smoke lighter
(cannot light the smoke)
Connects with electrical appliances
by above output line
Packing: each in a blister

CLE 80591

3-in-ONE 12V DC socket multiplier
Convert your car's existing cigarette lighter
Socket in one 12V DC socket The active plug
has three angles for choice one before insert socket
It is ideal to use for running 12V accessories such as
cellular phone
Portable TV set, Video games ,lamps ,car vacuum
cleaner etc.

CLE 80592

Maximum Load :800 mA MAX
Input :12V/DC
Output :1.5/3/4.5/6/7.5/9/12V DC
Short circuit protection
Automatic thermal cut off
Automatic overlad cut off

CLE 80593

Fit for all different cars with a cigarette-lighter socket
Converts your current cigarette -lighter socket into
this DC socket
12V DCplug can adjust for any angle
The fuse allows safe and easy replacement
It is ideal for running 12V accessories such as
cellular phone ,radar detector ,portable
TVset ,video games ,lamps ,car vacuum cleaners

CLE 80594

Maximum Load :2000mA /1500 mA MAX
Input :12V-24V Dc
Output:1.5/2.0/3/4/5/6/9/12V DC
Short circuit protection
Automatic thermal cut off
Automatic overlad cut off
Switching cirsut design

CLE 80595

Converts your car's existing cigarette lighter socket into
two 12V DC SOCKET
Lighter socket and two 12V DC sockets
The active plug has three angles for your selection before
inserting the socket
Ideal for running 12 V accessories such as cellular phones ,
portable TV sets ,videl games ,lamps ,car
vacuum cleaners and more
Packing :each in a blister package

CLE 80596

4 Maximum Load :500 mA MAX
Input :12V DC
Output :3/4.5/6V DC
LED red light indicator

OPTICAL FIBER CABLE
AND
ACCESSORIES
